

4-H Showcase Guidelines

4-H Showcase is an opportunity for 4-H members to share what they have learned in a project by giving a project talk, demonstrating a skill or illustrating how something works. 4-Hers can also demonstrate music skills on the piano or other instruments, showcase dance skills, drama, offer a public speaking presentation or present a skit. 4-H Showcase offers options for individual, group and club entries. All of the categories will be evaluated upon a standard. A Danish ribbon placing of Purple, Blue, Red or White will be awarded by adult judges.

The following are guidelines for participation. Please read through them carefully so that you are not surprised on the day of competition. These guidelines will be used by the judges. Age divisions are **Juniors 7-13** and **Seniors 14 & Older**, as of January 1, 2023.
